

Link to the GitHub Repo: <https://github.com/benschoening/AppChallenge2025>

Prerequisite: Python installed on your computer, with the “python3” command usable in a terminal instance.

To run the ArcGIS Experience:

1. Download the “MetroWage.zip” file.
2. Extract the “MetroWage.zip” file contents into a folder.
3. Open a terminal instance at the aforementioned folder.
4. Assuming you have Python installed and ready to use in the terminal, run: ``python3 -m http.server``
5. Go to localhost:8000 in your web browser, and explore!
